

Waterford Speedbowl 2010

Burn-Out Contest Rules

By registering as a driver you agree to be knowledgeable and bound by the contents found in these Divisional Rules and in the General Rules.

Drivers must register for each event by filling out a registration form at pit sign in.

19.0 GENERAL DIVISION RULES:

The Car Burn-Out Contest division is designed to provide low-cost great entertainment to the fans.

A) All equipment is subject to the approval of the Waterford Speedbowl Officials.

B) Once a car has been presented to the Waterford Speedbowl Officials for pre-race or post-race inspection the entire car and all of its components become subject to inspection. This includes but is not limited to items verbally designated for inspection before or following a particular event

C) All rule changes and updates made during the course of the season for the current rulebook will be posted to the Waterford Speedbowl website (www.speedbowl.com). This will serve as the only form of official notification until the printing of the 2011 Waterford Speedbowl rule book.

18.1 APPROVED MODELS:

Any vehicle may participate in the burn-out competition.

18.2 MISCELLANEOUS

Burn-outs may only be done in the approved burn-out area. Burn-outs done anywhere else on the property may result in penalties and/or suspension.
